A very ludicrous and exciting wheel-

By our own correspondent.

barrow race took place in Upper Mauch Chunk on Christmas afternoon. Several hundred spectators were present. A large number of entries were made by ambitious wheelbarrowists, and it was really amusing to see how wide many came of the mark. They were blindfolded, and were allowed their own liberty in wheeling to a stake some yards distant, on which was fixed a small flag. The entrance fee was fifty

cents, and among those who took the prizes was one who struck the stake from a bee line. The prizes were several fine pigs, and the lucky ones will be well supplied with sausage this winter. On Christmas Eve the 27th reunion

of the survivors of Co. K., Stockton Artillerists, who shared the hardships of the Mexican war, took place at the Mansion House. Dr. Coffee, President of Lehigh University, and Dr. Banks, of Wilkes-Barre, were among the guests from abroad. Speeches were made by Prof. toffee, J. H. Siewers, Gen. Lilly, Judge Packer and Senator Brodhead, and J. H. Chapman recited a very appropriate ode. The banquet was a gorgeous one, and the bill of fare embraced the choicest delicacies. Judge Packer were a red velvet vest made from material captured from the balls of the Montezumas. Maj r Klotz presided as chairman, and of the original muster roll of ninety-eight but nineteen were reported still living. Thos. Creltin, John Solomon, Wm. Withelm, Edward Remmel, Major Kiotz, John Pryor, F. C. Kline, Joseph Hileman and Edward Blaine were the only members of the company present. Some eighteen bonorary members of the organization. composed of the oldest and most prominent of our citizens, participated, and during the evening F C, Kline rendered a number of Mexican airs on the identical violin that had followed the company through the entire war. After the banquet was over the party adjourned to the parlors of the hotel, and passed the remaining hours of the evening in social intercourse.

Dr. Erwin, who "got up" a beauti-

ful Christmas " putz" at the residence of Mr. Joseph Laciar, was in constant demand on Christmas, showing visitors the peculiarities and points of interest. The representation completely filled the room, and was a striking plecture of a mountain scene, running water, sawmill in full operation, men pumping water, bunters shorting deer, &c. The room was througed day and tight by lookers on, and when shown off by the light of the gas in the evening was real-

gorgeous. In consequence of the lease made by the C. R. R. of N. J. of the Lehigh Con-& Nav. Co., the stock of the last named corporation went up from 28 per share to 46. Several Mauch Chunkers who were on the alert went to Philadelphia and entered largely into the speculation. Judge Leisenring cleared \$70,000; A. W. Leisenring \$30,000; M. S. Kemerer, \$20,000; E. T. Booth \$8,000; and Geo. W. Esser \$5,000.

On April 18th, 1874, the anniversary of the battle of Cerro Gordo will be celebrated at the Mansion House. The Scott Legion, of Philadelphia promised to be present, and will arrive at Mauch Chunk with the 11:45 a. m. train, do the Switch-Back, banquet at the Mansion House at 4 p. m., remain at Mauch Chunk over night, and go to at Mauch Chunk over night, and go to Wilkes-Barre the next morning, where they will be received by Gen. Dana. Among the distinguished persons who was Gens. Hooker, Patwill be present are Gens. Hooker, Patterson, Cadwalader, and others.

Mr. Thomas Patterson was married to Miss Sarah Deterline, at the residence of Josiah Brown, in U. Manch Chunk, on Christmas afternoon, at two o'clock. Rev. Noble Frame performed the ceremony.

Thieves Around.

Several of our stores have been robbed during the past week or ten days, but who the thief or thieves are is a question as yet unsettled. A demented youth, who has been discarded by his parents and left to wander at will through our borough, was at first thought to be the guilty one, but upon a close examination that surmise lacked confirmation, and now suspicion points -where? It would afford us much pleasure if these maranders on other people's premises could be found out and brought to judgment. It is no doubt highly satisfactory to the guitty ones, that they have a poor, outea t, senseless youth at hand to point suspicios upon, so the more effectually to their own cowardly, sneaking suift. And just here we might remark, that this boy, whose parents are fully able to keep him, should be taken off the streets by the authorities, and placed in some proper asylum, and the parents, whose duty it is to, take care of their offspring, be made to foot the bill. It is simply brutal that a human being, though demented, should be allowed to roam our streets without a home, and especially at this inclement season of the year. Gentlemen, Poor Directors, do your daty.

KIND WORDS.

The Associated Reformed Preshytrian says—For years Perry Davis' Pain-Killer has been known as a most useful family medicine. For pains and aches we know nothing so good as the Pain Killer. For many internal diseases it is equally good. We speak from ext is equally good. We speak from experience, and testify to what we know. No family ought to be without a bottle of Davis' Pain-Killer.

MESSIS. PERRY DAVIS & SON. PROV., R. I., -. Gents: - Although a stranger to you I am not to your invaluablem edicine, Pain-Killer. I formed its acquaintance in 1847 and I am on most intimate terms with it still; my experience he its use confirms my belief that there is no medi-cine equal to Pain-Killer for the quick and sure cure of Summer Compaints, Sore Throat, Group, Braises and Cuts. I have used it in all and found a spee ty cure in every case. Yours truly, T. J. GARDINER, M.D.

Judging by our own experience whicever once makes a trial of Perry Davis' Pain-Killer, will not fall to recommend widely as an unequalled liniment, and valuable internal remedy for colds and various other complaints. — Every Month

The efficacy of Perry Davis' world-renowned Pan-Killer in all disease of the bowels, even in the terrible scourge, the Asiatic cholera, has been amply attested by the most convincing authority. Missionaries in China and India have written home in communication of this remedy in terms that should carry conviction to the most skeptical, while its popularity in communities nearer home is ample proof that the virtues claimed for it are real and tangible.

The Saturday Even's Gazette of Boston, says: It is impossible to find a place on this broad land where Perry Davis' Pain-Killer is not known as a most valuable remedy for physical pain. In the country, unles from physician or apothecary, the Pain-Killer is cherished as the exclusive panaces, and it never

"Perry Davis' Pain-Killer is really a valuable medicament, and, unlike most of the articles of the day, is used by many physicians. It is particularly desirable in location where physicans desirable in location where physicans are not near, and by keeping it at cand, familes will often save the in-cessity of sending out at midnight for a doctor. A bottle should be kept in every house."

"We have tested the the Pain-Killer, and assure our readers that it not only possesses all the virtues claimed for it. but in many instances surpasses any other remedy we have ever known," Herald of Gospel Liberty.
